

certified cargo screening facility or is no longer acting as the facility's agent.

(2) Copies of all applications for, or renewals of, TSA certification to operate under part 1549. Copies of reports by TSA-certified validators must be included in these records.

(3) Documents establishing TSA's certification and renewal of certification as required by part 1549.

(4) Records demonstrating that each individual has complied with the security threat assessment provisions of § 1549.111.

(b) Unless otherwise stated, records must be retained until the next re-certification.

§ 1549.107 Security coordinators.

Each certified cargo screening facility must have a Security Coordinator and designated alternate Security Coordinator appointed at the corporate level. In addition, each certified cargo screening facility must have a facility Security Coordinator and alternate facility Security Coordinator appointed at the facility level. The facility Security Coordinator must serve as the certified cargo screening facility's primary contact for security-related activities and communications with TSA, as set forth in the security program. The Security Coordinator and alternate appointed at the corporate level, as well as the facility Security Coordinator and alternate, must be available on a 24-hour, 7-days a week basis.

§ 1549.109 Security Directives and Information Circulars.

(a) TSA may issue an Information Circular to notify certified cargo screening facilities of security concerns.

(b) When TSA determines that additional security measures are necessary to respond to a threat assessment, or to a specific threat against civil aviation, TSA issues a Security Directive setting forth mandatory measures.

(1) Each certified cargo screening facility must comply with each Security Directive that TSA issues to it, within the time prescribed in the Security Directive for compliance.

(2) Each certified cargo screening facility that receives a Security Directive must comply with the following:

(i) Within the time prescribed in the Security Directive, acknowledge in writing receipt of the Security Directive to TSA.

(ii) Within the time prescribed in the Security Directive, specify the method by which the measures in the Security Directive have been implemented (or will be implemented, if the Security Directive is not yet effective).

(3) In the event that the certified cargo screening facility is unable to implement the measures in the Security Directive, the certified cargo screening facility must submit proposed alternative measures and the basis for submitting the alternative measures to TSA for approval.

(i) The certified cargo screening facility must submit the proposed alternative measures within the time prescribed in the Security Directive.

(ii) The certified cargo screening facility must implement any alternative measures approved by TSA.

(4) Each certified cargo screening facility that receives a Security Directive may comment on it by submitting data, views, or arguments in writing to TSA.

(i) TSA may amend the Security Directive based on comments received.

(ii) Submission of a comment does not delay the effective date of the Security Directive.

(5) Each certified cargo screening facility that receives a Security Directive or Information Circular, and each person who receives information from a Security Directive or Information Circular, must—

(i) Restrict the availability of the Security Directive or Information Circular, and information contained in either document, to those persons with a need-to-know; and

(ii) Refuse to release the Security Directive or Information Circular, and information contained in either document, to persons other than those with a need-to-know without the prior written consent of TSA.

§ 1549.111 Security threat assessments for personnel of certified cargo screening facilities.

(a) *Scope.* This section applies to the following:

(1) Each individual the certified cargo screening facility authorizes to perform cargo screening or supervise cargo screening.

(2) Each individual the certified cargo screening facility authorizes to have unescorted access to cargo at any time from the time it is screened until the time it is tendered to another certified cargo screening facility, an indirect air carrier under 49 CFR part 1548 for transport on a passenger aircraft, an aircraft operator under part 1544, or a foreign air carrier under part 1546.

(3) The senior manager or representative of its facility in control of the operations.

(4) The security coordinators and their alternates.

(b) *Security threat assessment.* Before a certified cargo screening facility authorizes an individual to perform the functions described in paragraph (a) of this section, and before the individual performs those functions—

(1) Each individual must successfully complete a security threat assessment or comparable security threat assessment described in part 1540, subpart C of this chapter; and

(2) Each certified screening facility must complete the requirements in 49 CFR part 1540, subpart C.

PART 1550—AIRCRAFT SECURITY UNDER GENERAL OPERATING AND FLIGHT RULES

Sec.

1550.1 Applicability of this part.

1550.3 TSA inspection authority.

1550.5 Operations using a sterile area.

1550.7 Operations in aircraft of 12,500 pounds or more.

AUTHORITY: 49 U.S.C. 114, 5103, 40113, 44901–44907, 44913–44914, 44916–44918, 44935–44936, 44942, 46105.

SOURCE: 67 FR 8383, Feb. 22, 2002, unless otherwise noted.

§ 1550.1 Applicability of this part.

This part applies to the operation of aircraft for which there are no security requirements in other parts of this subchapter.

§ 1550.3 TSA inspection authority.

(a) Each aircraft operator subject to this part must allow TSA, at any time

or place, to make any inspections or tests, including copying records, to determine compliance with—

(1) This subchapter and any security program or security procedures under this subchapter, and part 1520 of this chapter; and

(2) 49 U.S.C. Subtitle VII, as amended.

(b) At the request of TSA, each aircraft operator must provide evidence of compliance with this part and its security program or security procedures, including copies of records.

§ 1550.5 Operations using a sterile area.

(a) *Applicability of this section.* This section applies to all aircraft operations in which passengers, crewmembers, or other individuals are enplaned from or deplaned into a sterile area, except for scheduled passenger operations, public charter passenger operations, and private charter passenger operations, that are in accordance with a security program issued under part 1544 or 1546 of this chapter.

(b) *Procedures.* Any person conducting an operation identified in paragraph (a) of this section must conduct a search of the aircraft before departure and must screen passengers, crewmembers, and other individuals and their accessible property (carry-on items) before boarding in accordance with security procedures approved by TSA.

(c) *Sensitive security information.* The security program procedures approved by TSA for operations specified in paragraph (a) of this section are sensitive security information. The operator must restrict the distribution, disclosure, and availability of information contained in the security procedures to persons with a need to know as described in part 1520 of this chapter.

(d) *Compliance date.* Persons conducting operations identified in paragraph (a) of this section must implement security procedures on October 6, 2001.

(e) *Waivers.* TSA may permit a person conducting an operation under this section to deviate from the provisions of this section if TSA finds that the operation can be conducted safely under the terms of the waiver.
